Dear Town of Windsor:

On ***Tuesday, March 3, 2026***, the Windsor Central School District will hold its annual District Safety Meeting to conduct tabletop exercises as a test of our District Emergency Response Plan. We will engage in round table discussions regarding responses to a variety of potential hazards.

The Windsor Central School District recognizes the importance of local emergency response personnel and town officials in the overall well-being of our student body. You are cordially invited to attend as your contributions to the discussion will play a vital role in both District emergency response and prevention. In addition, this meeting will provide an opportunity for you and your representatives to become reacquainted with the Windsor Central School District Administrative Team and Building Safety Team members.

The meeting will be held in the ***Windsor Central High School Cafeteria from 6:00 – 8:00 p.m.*** Dinner will be provided.

Please advise if there is a cancelation, the Safety Meeting will be rescheduled for Wednesday March 11, 2026.

Please RSVP to Nicole Reynolds, at 655-8215, by February 17th if you and/or representatives from your organization are able to attend. You may also e-mail me directly at cklumpp@windsor-csd.org.

Thank you for your consideration and I hope to see you on March 3, 2026 at 6:00 p.m.

Sincerely,

Chris Klumpp
Director of Athletics, Health & Safety
