Town of Windsor Board Members:

For the month of May; I was busy with people coming in to see me about their assessments and grievance day. Some people I lowered or talked to about their assessments before grievance day. Grievance day was May 26th and it went well, we had two people that came in to grieve. The board slightly lowered one and the other one stayed the same. We had 6 mail in grievances. We had 4 from Millennium Pipeline and 2 of them were from both Dollar General Stores in the town and village. All of the mail in grievances filed last year so they are currently in court now. Once you file an article 7 court hearing, you have to file a grievance every year.

Normally, over the summer months is my "down time". I tend to get my office organize and do my yearly training in July. I will be taking off 2 weeks in June for vacation.

Thank you,
