Town of Windsor Board Members:

For the months of June and July, I was a little scarce from the office. First, I was on vacation and then I got back and then I was told I will be working from home because they were redoing our floors. Which look amazing, I love the new floors. The last week in July, I was in class in Ithaca.

I did receive one SCAR (Small Claims Assessment Review) Filing of SCAR paperwork is when the taxpayer is not happy with the grievance day outcome. They have to file a SCAR with the Broome County court clerk, after that is done they will be a hearing at a later time with the taxpayer, hearing officer and the assessor.

Thank you,
